After assessing riders and horses and their needs on Friday, we will put together the following days times to ensure appropriate groupings. Unless there are very disparate levels we will try to have groups of three riders per clinician in 2 hour sessions.

Breakfast for Riders and Auditors will be served at 8:00 am in Lori's' garage/banquet hall during our coffee talk.

Should you have any questions regarding the schedule please call Stacey Quarles @214-934-7577.
